RANGE & PRICING 2026

DEAR RETAILER & RETAILER, 2026 Garden Machinery and Home

The new season is here, and this catalogue brings together a strong range of garden machinery and home and DIY products from trusted brands you know and rely on.

Inside, you will find exciting new additions from Webb Garden Power, including the new Webb Eco X-Series 40V range for medium to large gardens. There are also new products in the Webb Eco 20V range, including a new chainsaw and cylinder lawnmower, as well as a great entry-level poly deck petrol lawnmower – plus lots more!

Alongside this, there are plenty of opportunities to take advantage of promotions across both Webb and The Handy.

Our new trade website is now live and ready for orders, making it easy to place orders for next-day delivery. Simply head to handytrade.co.uk.

Thank you for your continued support. For any questions, please contact your Regional Sales Manager or email sales@handys.co.uk to order.

Here's to a successful 2026!

Best wishes,

Mark

NEW FOR 2026

Pressure Washer Range

Built on Webb's reputation for performance and reliability, our pressure washer line-up offers retailers a compact, high-value range that caters to everyday domestic cleaning through to more demanding garden and patio jobs. Each model combines user-friendly design with the power customers expect, helping you to cover multiple price points with confidence.

From lightweight electric models ideal for vehicles and small outdoor spaces, through to more powerful units equipped with larger motors, higher flow rates, and enhanced accessories, Webb pressure washers are designed to make cleaning quick, effective, and hassle-free. Robust build quality, practical features such as hose reels and detergent systems, and a 3-year warranty make them stand out on the shop floor or online.

X-SERIES

40V LITHIUM
20V+20V

BUILT ON WEBB TRADITION, POWERED FOR TODAY

FROM TRUSTED
Webb HERITAGE

TO TODAY'S
40V CORDLESS FREEDOM

Webb has been trusted by British gardeners to deliver dependable machines that make light work of garden care. The NEW Webb Eco 40V X-Series range builds on this heritage with the freedom of cordless technology, designed especially for medium to large gardens where performance really matters.

Powered by two Webb Eco 20V batteries working together, the X-Series delivers the strength of 40V across an entire family of tools. That means you can mow wide lawns, trim borders, clear leaves, cut hedges, tackle branches, and even revitalise

your lawn - all with the same battery system.

Unlike petrol, the Webb Eco X-Series is quiet, clean, and easy to use. No pull cords, no fumes, no hassle. Just powerful, consistent performance backed by Webb's tradition of quality engineering. Whether you are maintaining a family lawn or managing a larger garden space, the Eco X-Series gives you the confidence to get the job done with less effort and more enjoyment.

This is Webb Garden Power, reimagined for today's gardens - efficient, versatile, and built to last.

AVGOP40L
AVA GO P40

AVEP60L
AVA Evolution P60

Passion for Durable Products

AVA of Norway demonstrates an ardent commitment to product longevity. The company is deeply devoted to counteracting the culture of disposability by highlighting the significance of upholding sturdy merchandise - a pivotal step towards championing environmental responsibility. AVA's ceaseless dedication revolves around advancing 'Environmentally Friendly Design', perfectly aligned with the principles of the 'Customer's Right to Maintenance'.

There are three AVA pressure washer ranges which will be available to UK retailers, to meet different customer needs and price points. Each come with a warranty of up to 20-years. AVA's premium pressure washer ranges - Evolution features a long-lasting metal pump with four cylinders for durability and performance; it is also available with six cylinders for extra power. They have been designed with a low centre of gravity for stability, and a "follow-me" hose reel. Evolution has the added advantage of a tool tray for easy placement of nozzles. The Go AVA pressure washer range is built to the same quality but provides a lower price entry point. Smart pressure washers have been designed with a compact form of a three-cylinder V3 pump and a rollover-proof design.
